5 The Sexual Life of a Camel

The sexual life of a camel
Is stranger than anyone thinks,
At the height of the mating season
He tries to bugger the sphinx.
But the sphinx's posterior orifice
Is blocked by the sands of the Nile,
Which accounts for the hump on the camel,
And the sphinx's inscrutable smile

Watch them as they down a lot of beers,

Their drinking is compulsive and
Their running in convulsive,
They're morally repulsive,

From constantly bush-wacking

22 My Grandfathers Cock

My grandfathers cock was to long for his pants,
And it dragged several feet on the floor.
It was longer by half than the old man himself
Yet it weighed not a penny weight more.
He was born on the morn of the day he found his horn
it was always his pleasure and pride.
But it dropped, shrank, never to rise again, when the old
man died.
